

State Project No. 737-99-0800

FARS Analyst

Inquires and Responses

1. Is the state adding an additional FARS Analyst to their current staff? If this is an existing position, is a replacement needed, or only a re-competition for “continuing” an ongoing service?

Response: A re-competition for “continuing” an ongoing service.

2. The statement of work, addresses the importance of quality control. Will quality control be conducted by the FARS analyst and other existing staff? If not, is the state seeking quality control staff in addition to the FARS Analyst?

Response: By the FARS analyst and other existing staff.
